Basilic Fly Studio and UK Subsidiary One of Us Projects Shortlisted for Academy Awards

Chennai, India, December 31st, 2025 – Basilic Fly Studio Limited (BFS), one of the leading global visual effects (VFX) partner to major studios, is proud to announce that two international feature film projects, delivered by the company and its UK subsidiary - One of Us, have been shortlisted for the Academy Awards.

The visual effects work delivered on **“Mission: Impossible – The Final Reckoning”** has been shortlisted in the Academy Awards Top 20 selection list for the Visual Effects category. Additionally, the visual effects work delivered on **“The Electric State”** has progressed further into the Academy Awards Top 10 selection list, marking an advanced stage of consideration in the nomination process. Further, in the short film category, **“Shutter Bird”**, for which the company delivered the visual effects, has qualified for consideration in the Academy Awards.

The Academy Awards shortlisting represent one of the highest global recognitions for excellence in filmmaking and visual effects, reflecting the creative and technical capabilities required to deliver world-class cinematic experiences. These projects were executed through a collaborative delivery model spanning the company's India operations and One of Us, UK team, highlighting the group's integrated global pipeline, scalable production framework, and ability to support premium, high-complexity content for leading international studios.

Commenting on this, Mr. Balakrishnan, Managing Director & CEO of Basilic Fly Studio Limited said, “These selections are meaningful acknowledgment of the talent, craftsmanship, and dedication of our global teams. Being recognized by the Academy reinforces our commitment to delivering high-quality visual effects and strengthens our position as a trusted partner to streamers and studios worldwide.”

The company continues to focus on creative excellence, operational discipline, and expanding its global footprint as a leading visual effects partner for film, streaming, and high-end content production.

About Basilic Fly Studios Limited

Founded over a decade ago by Directors Mr. Balakrishnan and Mrs. Yugalakshmi, Basilic Fly Studio (BFS) has evolved from a modest team of skilled artists into a prominent player in the global VFX industry. The company got listed on the NSE Emerge platform in 2023, marking a significant milestone in its growth and expansion. Initially focused on outsourcing opportunities, BFS has evolved into a comprehensive global VFX studio, excelling in all aspects of digital storytelling. With a workforce of over 850 talented professionals across studios in Chennai, Pune, Vancouver, and London, the company consistently pushes the boundaries of technological and creative innovation, delivering high quality projects for global platforms. The studio has contributed to major projects like Avatar, Avengers: Endgame, and The Last of Us, earning a reputation for excellence. Today, BFS is a hub for top industry talent from India and abroad. The studio's remarkable growth underscores its unwavering commitment to quality and its ability to thrive in the ever-evolving world of visual effects. Driven by strong growth prospects, BFS seeks regional diversification in the international market and aims for expansion in Europe and North America.
